

Discipleship WIN Team Meeting – January 6, 2019

- Present: Jeff Haupt, Tiffany Conway, Jim Clark, Linda Lange and Mike Clement.
- We reviewed the Next Step Pilot Program progress. Our current count is 437. The next update will be in February.
- We discussed our team's role in the reformatted, New Member Class for 2019...
 - The first class will take place January 13th
 - Participants will be required to complete the Spiritual Assessment prior to class
 - As faith coaches, our role will be to work with each participant one-on-one during the "connecting" portion of the class
 - We plan to use their spiritual assessment results combined with a category breakdown sheet to help make recommendations for each person
 - We will complete a faith coach feedback form that will be kept and used for follow-ups
- We discussed the idea of still implementing the Next Step program for current and non-members using email/digital communication instead of in-person class sessions. We will discuss further in our next meeting.
- Another topic needing further discussion is how we can do a better job of capturing email addresses for ministry participants. This will be a point of emphasis at the LEAD meeting in February.
- Our next meeting is scheduled for February 7th
