- Jeff proposed a new program called Discover Your Discipleship, featuring one-time session to help congregation get better plugged into various ministries/groups.  - Can we make it more of a step-by-step style? (Mike in separate meeting)
 - The testimonial's need to be person-to-person, not just videos, etc (Linda)

 - Based on proposed time frame, some kind of food should be served (Tiffany)
 - Instead of taking spiritual assessment prior to session, perhaps we should ask participants to take it in class (Tiffany)

 - We should try and time the 2019 sessions on same days as ministry fairs (Tiffany)
 - Target dates for test sessions – Sunday 10/28 and 11/18, from 12:30 – 2:00
