

DID YOU KNOW?

June 23-24, 2018

"The next few years will be a pivotal period for decision making with regard to Antarctica...we could be looking at significant and irreversible changes over the next 50 years."

Source: Helen Amanda Fricker, a researcher at the Scripps Institution of Oceanography

United Methodist Church Social Principles

We acknowledge the global impact of humanity's disregard for God's creation.

(Social Principles: The Natural World)
