Spring Rides are unsupported, so **bring enough water and food** appropriate for the length of the ride. You will need to do additional training on your own. It is advisable to have ridden as many training miles as miles you plan to ride during the MO-Hab week, so get a riding buddy and rack up those miles! Ride as many miles as possible and as often as possible before doing MO-Hab XXVI and don't forget to log your miles on the Virtual MO-Hab Trip. **All riders are required to wear a helmet that meets or exceeds ANSA or Snell standards.**
